

internship (industrial design) at:

johannes steinbauer design

We design furniture, lights and accessories for international clients such as Authentics, Softline and Rolf Benz.

Our internships starts every February and October and lasts 6 Month.

Required skills: Adobe, 3-D modeling and hands-on prototyping.

Do you share the passion for furniture and working on innovativ products? Then send your application with portfolio to:

mail@johannes-steinbauer.com

The internship is paid and we can help to find an affordable accommodation close to our studio.
