UPCOMING FILMMAKERS SCHWEIZER JUNGFILMFESTIVAL 28TH SEPT. KINO BOURBAKI LUCERNE

CALL FOR ENTRIES: April 1 – June 9, 2024

The second oldest Youth Film Festival in Switzerland! Here, young talents under the age of 30 are celebrated, and their short films hit the big screen every year. Since 1985, the festival has been a hotspot for the exchange of films, ideas, and experiences. Many successful Swiss filmmakers have started here. Deeply rooted in central Switzerland, with a reach that even surpasses the Pilatus, a must-attend for anyone who is part of the Swiss film scene.

The LUZERNER FILMPREIS, the UPCOMING FILMMAKERS AUDIENCE PRIZE and various SPECIAL PRIZES are awarded with prize money totaling over 10,000 Swiss Francs.
